# Chambolle-Musigny

## 2018

2 664 bottles

This Chambolle-Musigny village, formerly known as «Orveaux des Bussières,» is a blend of two plots.

One of them was planted in the early 1900s and rests on a soil rich in marl and clay, providing deep rooting for the vines.

The other plot, on the other hand, has a higher proportion of pebbles and outcropping rocks.

Produced from very old vines, this wine expresses great aromatic complexity.

Thanks to the nature of its soil and the age of its vines, it reveals a remarkable depth of texture, characterized by exceptional density and richness.

### Tasting notes

The wine reveals a smooth and velvety texture, combined with remarkable freshness. The finesse of the tannins is exceptional. Well-crafted and very elegant, it is carried by a refreshing and invigorating character.

Winter and early spring 2018 were notably rainy, allowing the vines to build up substantial water reserves. These reserves enabled the vines to endure the warm and sunny conditions of the latter half of spring. The vintage is also marked by an exceptionally hot and dry summer. Thanks to the winter's

water reserves, the grapes reached ideal ripeness, withstood the heat, and developed in exceptional health. The bunches were in perfect condition when harvesting began on September 3rd.

This vintage is concentrated and complex, achieving excellent ripeness while maintaining its freshness. The wines are distinguished by their finesse and remarkable freshness, with a structured palate that reveals a myriad of aromas—a true virtuoso. This elegant and refined vintage has the potential to age for years, gradually revealing its full complexity.
