# Chambolle-Musigny

## 2020

1 776 bottles

This Chambolle-Musigny village, formerly known as «Orveaux des Bussières,» is a blend of two plots.

One of them was planted in the early 1900s and rests on a soil rich in marl and clay, providing deep rooting for the vines.

The other plot, on the other hand, has a higher proportion of pebbles and outcropping rocks.

Produced from very old vines, this wine expresses great aromatic complexity.

Thanks to the nature of its soil and the age of its vines, it reveals a remarkable depth of texture, characterized by exceptional density and richness.

### Tasting notes

Floral and velvety, the charming Chambolle village is a wine of great precision, presenting finely chiselled and pure flavours, combined with remarkable freshness and a silky finish.

This exceptional vintage, produced in very limited quantities due to the intense summer heat, harks back to the glorious past of great Burgundies. After a wet and mild winter, the summer of 2020 was characterized by dry and hot conditions. During this period, the vines suffered from a lack of water from flowering

onwards, leading to reduced yields. The harvest was notably early, beginning at the end of August, with an average production of 15 hl/hectare. This early and sunny vintage offers beautifully crafted wines, marked by remarkable freshness and tension, with a rare elegance of silky, refined tannins.

This grand vintage deserves the care of extended cellaring to fully reveal its potential. However, its vibrant character and excellent balance also allow for enjoyment in its youth, showcasing notes of crisp fruit complemented by a delicate floral nuance.
