2021

473 bottles

62 magnums

This grand cru, located on a gently sloping area, is one of the sunniest and earliest-ripening parts of the Gevrey-Chambertin terroir. As a result, this plot often reaches optimal ripeness a few days before the Chambertin climat.

The soil of this terroir is distinguished by a composition of immaculately white limestone scree, offering exceptional permeability and ensuring optimal drainage for the vines. Beneath this layer, a marl-limestone substratum reveals its treasures, with rock outcrops in certain areas, especially at the top of the finage.

This terroir, rich in mineral nuances and sunshine, produces wines of great complexity, with an exceptional blend of aromas.

The wines from this plot are defined by their vibrant, seductive flavour, combining density and volume on the palate.

Harvested, vinified and matured.

Tasting notes

Exceptionally floral, revealing aromas of plum, black cherry, and crushed fennel. The texture's sophistication is truly remarkable, with rich, vibrant, and seductive flavours. The finish is finely balanced, displaying impressive length.

While the 2021 growing season concludes with a sunny summer, its beginning was marked by two devastating frosts that deeply affected the vines and threatened the upcoming harvest. That year, Burgundy experienced a relatively mild winter. In spring, after significant frosts in early April, the return of

fine weather provided ideal conditions for flowering. A few weeks later, early summer was characterized by heavy rains and persistent humidity. By August, however, dry and radiant weather persisted for three consecutive weeks, promoting optimal fruit ripening. By late September, the grapes reached perfect ripeness, prompting the harvest to begin on September 23rd.

The production from this capricious vintage is exclusive. Evocative, with finesse and elegance, the wines reveal exceptional freshness and present beautiful volume on the palate.
