

Griotte-Chambertin

2020

281 magnums

Located just below Clos de Bèze, almost where it meets Chambertin, this plot unveils the land's topography in all its splendour. Its rugged slope grants the vines a unique microclimate, likely the warmest among the Grand Crus, with a 5 to 6-day head start over Chambertin.

This sun-drenched and early-ripening appellation sits on silts once carried down the valley.

This exceptional terroir shapes singular, captivating wines that enchant the senses with a fresh nose and a delicate approach, featuring notes of orange zest, citrus, and red berries.

Tasting notes

A distinctly spicy bouquet reveals notes of currants, underbrush, and crushed fennel. The generous flavours combine excellent liveliness with concentrated power, culminating in a long, precise finish.

This exceptional vintage, produced in very limited quantities due to the intense summer heat, harks back to the glorious past of great Burgundies. After a wet and mild winter, the summer of 2020 was characterized by dry and hot conditions. During this period, the vines suffered from a lack of water from flowering

onwards, leading to reduced yields. The harvest was notably early, beginning at the end of August, with an average production of 15 hl/hectare. This early and sunny vintage offers beautifully crafted wines, marked by remarkable freshness and tension, with a rare elegance of silky, refined tannins.

This grand vintage deserves the care of extended cellaring to fully reveal its potential. However, its vibrant character and excellent balance also allow for enjoyment in its youth, showcasing notes of crisp fruit complemented by a delicate floral nuance.
