

Morey-Saint-Denis

La Rue de Vergy

2017

8 046 bottles

This sunny terroir is located just above Clos de Tart and represents a geological symphony. Its soil, strewn with outcrops of rock in places, bears witness to a rare mineral richness.

Extremely low in organic matter, this terroir gives the wine an exceptionally deep minerality. Here, the roots of the vines plunge deep into the rocky soil, absorbing the mineral complexity of their environment.

The wines from this plot are crystalline, reflecting the influence of the ancient stones in the soil, which impart a distinctive character, exceptional minerality and purity.

Tasting notes

A fresh nose combines notes of various red berries, earthy tones and subtle floral hints. There is both energy and refinement to the overtly mineral-inflected flavours thanks to the delicate tannins. The finale is refreshing with a core of bright acidity adding depth.

The 2017 wine year is distinguished by its superlative generosity. Following a dry and cold winter, the spring proved mild and rain-free. The vines enjoyed pleasant weather conditions, with temperatures up to 6°C above the norm. The summer, marked by warm and dry weather, contributed to the fruit achieving

an ideal state of health. Yields were very generous, and after reducing yields through «green harvesting,» the optimal ripeness of the grapes led to the harvest beginning on September 7th.

The wines from the 2017 vintage are elegant and refined, with a beautiful tension, silky tannins, and great aromatic complexity.

Age of the vines	Area	Grape variety	Alcool
1974	1,48 ha	100 % pinot noir	13°
