

Morey-Saint-Denis

La Rue de Vergy

2018

5 565 bottles

This sunny terroir is located just above Clos de Tart and represents a geological symphony. Its soil, strewn with outcrops of rock in places, bears witness to a rare mineral richness.

Extremely low in organic matter, this terroir gives the wine an exceptionally deep minerality. Here, the roots of the vines plunge deep into the rocky soil, absorbing the mineral complexity of their environment.

The wines from this plot are crystalline, reflecting the influence of the ancient stones in the soil, which impart a distinctive character, exceptional minerality and purity.

Tasting notes

The rich aroma carries hints of black cherry, plum, and a top note of pomegranate. The smooth and elegant medium-bodied flavours reveal a delicate mineral character on the slightly bitter cherry pit finale.

Winter and early spring 2018 were notably rainy, allowing the vines to build up substantial water reserves. These reserves enabled the vines to endure the warm and sunny conditions of the latter half of spring. The vintage is also marked by an exceptionally hot and dry summer. Thanks to the winter's

water reserves, the grapes reached ideal ripeness, withstood the heat, and developed in exceptional health. The bunches were in perfect condition when harvesting began on September 3rd.

This vintage is concentrated and complex, achieving excellent ripeness while maintaining its freshness. The wines are distinguished by their finesse and remarkable freshness, with a structured palate that reveals a myriad of aromas—a true virtuoso. This elegant and refined vintage has the potential to age for years, gradually revealing its full complexity.

Age of the vines	Area	Grape variety	Alcool
1974	1,48 ha	100 % pinot noir	13°
