

Morey-Saint-Denis

La Rue de Vergy

2019

5 531 bottles

This sunny terroir is located just above Clos de Tart and represents a geological symphony. Its soil, strewn with outcrops of rock in places, bears witness to a rare mineral richness.

Extremely low in organic matter, this terroir gives the wine an exceptionally deep minerality. Here, the roots of the vines plunge deep into the rocky soil, absorbing the mineral complexity of their environment.

The wines from this plot are crystalline, reflecting the influence of the ancient stones in the soil, which impart a distinctive character, exceptional minerality and purity.

Tasting notes

The wine is medium to full-bodied, with a fleshy charm and a pronounced core of juicy fruit, all elegantly supported by fine, velvety tannins.

Spring 2019 was marked by highly variable weather, alternating between fine conditions and episodes of low temperatures. The cool weather during flowering led to reduced yields due to run-off. However, after a scorching June and a hot, dry summer, the grapes ripened beautifully and were in exceptional

condition, allowing the harvest to begin under favourable weather on September 17th. Produced in limited quantities, with the average yield across all our appellations in 2019 falling below 20 hl/hectare, this vintage delivered wines of exceptional quality.

Despite the heat and dryness, the wines are rich, concentrated, and display excellent digestibility, freshness, length, and persistence. The tannins are ripe and well-integrated, showcasing remarkable balance, with impressive tension and minerality.

Age of the vines	Area	Grape variety	Alcool
1974	1,48 ha	100 % pinot noir	13°
