

# Morey-Saint-Denis

## La Rue de Vergy

2020

3 887 bottles

This sunny terroir is located just above Clos de Tart and represents a geological symphony. Its soil, strewn with outcrops of rock in places, bears witness to a rare mineral richness.

Extremely low in organic matter, this terroir gives the wine an exceptionally deep minerality. Here, the roots of the vines plunge deep into the rocky soil, absorbing the mineral complexity of their environment.

The wines from this plot are crystalline, reflecting the influence of the ancient stones in the soil, which impart a distinctive character, exceptional minerality and purity.

### Tasting notes

A complex nose of blood orange unfolds in a vibrant, mineral-driven wine, characterized by a flavourful texture, silky freshness, and velvety tannins.

This exceptional vintage, produced in very limited quantities due to the intense summer heat, harks back to the glorious past of great Burgundies. After a wet and mild winter, the summer of 2020 was characterized by dry and hot conditions. During this period, the vines suffered from a lack of water from flowering

onwards, leading to reduced yields. The harvest was notably early, beginning at the end of August, with an average production of 15 hl/hectare. This early and sunny vintage offers beautifully crafted wines, marked by remarkable freshness and tension, with a rare elegance of silky, refined tannins.

This grand vintage deserves the care of extended cellaring to fully reveal its potential. However, its vibrant character and excellent balance also allow for enjoyment in its youth, showcasing notes of crisp fruit complemented by a delicate floral nuance.

Age of the vines	Area	Grape variety	Alcool
1974	1,48 ha	100 % pinot noir	13°
