## 2018

120 magnums

This vineyard sits on soils defined by a limestone gravel substrate, which gives the appellation its unique character. Though shallow, these highly arable soils are a blend of brown and blonde clay-limestone, mixed with gravel.

This combination allows for excellent drainage and vine growth.

The wines from this plot, planted in 1957, are elegant and precise, offering vibrant freshness, impressive density, and a refined complexity that reflects the essence of the terroir.

### Tasting notes

This wine is both deliciously smooth and refreshingly vibrant, with intense flavours that develop in a powerful yet harmonious balance. Lively and elegant, it reveals layers of saline and mineral notes that enhance its freshness. The long, lingering finish is marked by a savoury, almost sanguine quality, adding depth and character to its refined structure.

Winter and early spring 2018 were notably rainy, allowing the vines to build up substantial water reserves. These reserves enabled the vines to endure the warm and sunny conditions of the latter half of spring. The vintage is also marked by an exceptionally hot and dry summer. Thanks to the winter's

water reserves, the grapes reached ideal ripeness, withstood the heat, and developed in exceptional health. The bunches were in perfect condition when harvesting began on September 3rd.

This vintage is concentrated and complex, achieving excellent ripeness while maintaining its freshness. The wines are distinguished by their finesse and remarkable freshness, with a structured palate that reveals a myriad of aromas—a true virtuoso. This elegant and refined vintage has the potential to age for years, gradually revealing its full complexity.
