
Vosne-Romanée

2019

1 180 bottles

This Vosne-Romanée village is a blended cuvée that expresses finesse, showcasing aromas of red fruit and white flowers.

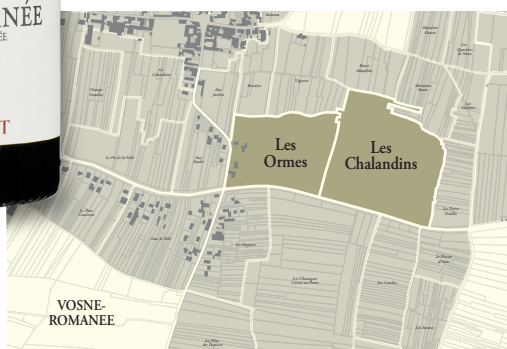

The Ormes plot, planted in 1985, and the Chalandins plot, planted in 2000, reveal their distinctive identities, thriving on a clay-limestone soil where a notable amount of silt mingles with incredibly fertile earth to deliver exceptional richness.

Formerly known as «Ormes des Chalandins,» this cuvée features labels whose design may vary across vintages, particularly before 2022.

Tasting notes

Aromas of orange zest, wild berries, rose petals and sweet spices. This is a luscious and opulent wine, exotically perfumed with a vibrant, velvety texture.

Spring 2019 was marked by highly variable weather, alternating between fine conditions and episodes of low temperatures. The cool weather during flowering led to reduced yields due to run-off. However, after a scorching June and a hot, dry summer, the grapes ripened beautifully and were in exceptional

condition, allowing the harvest to begin under favourable weather on September 17th. Produced in limited quantities, with the average yield across all our appellations in 2019 falling below 20 hl/hectare, this vintage delivered wines of exceptional quality.

Despite the heat and dryness, the wines are rich, concentrated, and display excellent digestibility, freshness, length, and persistence. The tannins are ripe and well-integrated, showcasing remarkable balance, with impressive tension and minerality.
