

Vosne-Romanée

Aux Champs Perdrix

2023
1572 bottles

This terroir is situated just above the Grand Cru appellation Vosne-Romanée «La grande rue».

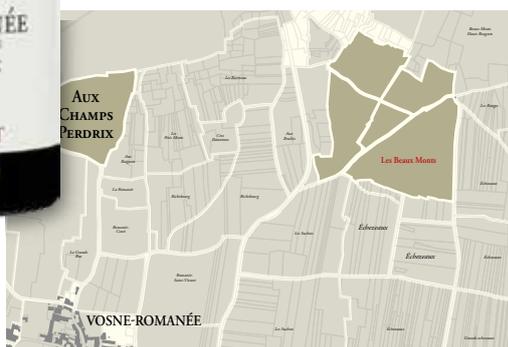

The vineyard is located half-way up the hill, its soil is a mixture of clay and limestone scattered with scree.

This excellent location makes it possible to produce a wine with star qualities: it is fine, elegant, opulent and silky.

Tasting notes

A bright and energetic wine with aromas of raspberry, cherry, and violet, showcasing great purity and a strong limestone character. The palate is both rich and elegant, with a seductive texture and notable minerality. The lingering finish reveals a slight bitterness of stone fruit. Less concentrated than the 2022 vintage, it will gain depth with a few years of aging. Best to drink between 2028 and 2034.

2023 will remain an exceptional year, marked by an endless summer and record-breaking temperatures – the hottest ever recorded. Despite these extreme conditions, the vintage stands out for its balance, finesse, and elegance. After a very dry winter, the milder spring allowed for steady growth and uniform

budburst. May and June, alternating between storms and sunshine, encouraged a swift and even flowering. Heavy rains at the end of June met the vines' water needs without causing damage. Veraison, slowed by August drought, resumed with late-August rains and accelerated with early September warmth.

Harvest began on September 11 under ideal conditions, with perfectly ripe grapes picked over ten days. Well-managed yields ensured outstanding quality. A rainy autumn helped recharge groundwater reserves. Despite climate challenges, 2023 offers wines of perfect balance, exceptional finesse, and rare elegance.
