
Vosne-Romanée

2023

2 572 bottles

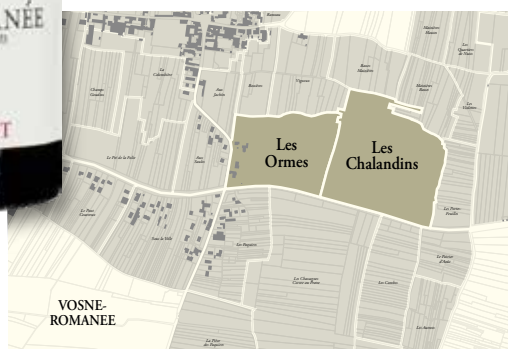

This Vosne-Romanée village is a blended cuvée that expresses finesse, showcasing aromas of red fruit and white flowers.

The Ormes plot, planted in 1985, and the Chalandins plot, planted in 2000, reveal their distinctive identities, thriving on a clay-limestone soil where a notable amount of silt mingles with incredibly fertile earth to deliver exceptional richness.

Formerly known as «Ormes des Chalandins,» this cuvée features labels whose design may vary across vintages, particularly before 2022.

Tasting notes

This wine offers an elegant aromatic profile of spicy purple fruit, black raspberry, jasmine tea, and floral hints. The palate is dense yet supple, with firm tannins and a lingering, balanced finish. While depth could improve, its aging potential is promising. Best enjoyed between 2028 and 2034.

2023 will remain an exceptional year, marked by an endless summer and record-breaking temperatures – the hottest ever recorded. Despite these extreme conditions, the vintage stands out for its balance, finesse, and elegance. After a very dry winter, the milder spring allowed for steady growth and uniform

budburst. May and June, alternating between storms and sunshine, encouraged a swift and even flowering. Heavy rains at the end of June met the vines' water needs without causing damage. Veraison, slowed by August drought, resumed with late-August rains and accelerated with early September warmth.

Harvest began on September 11 under ideal conditions, with perfectly ripe grapes picked over ten days. Well-managed yields ensured outstanding quality. A rainy autumn helped recharge groundwater reserves. Despite climate challenges, 2023 offers wines of perfect balance, exceptional finesse, and rare elegance.

Age of the vines	Area	Grape variety	Alcool
1985 / 2000	0,5 ha	100 % pinot noir	13°
