

Chambertin

2024

219 bottles

38 magnums

There's no doubt that Chambertin is considered one of Burgundy's top five Grands Crus. Its central position on a gently sloping, slightly cool and windy hillside gives it an exceptional texture. At the heart of this terroir lies a deep soil, delicately coated with a mantle of limestone scree and silt, patiently deposited over millennia and interwoven by the meticulous hand of man and his centuries-old cultivation work.

Chambertin, slightly less steep than Clos de Bèze, benefits from a cooler breeze, provided by the nearby Combe Grisard, which brings winds from the hills. Ideally facing east, this terroir enjoys the best exposure to the sun, especially the morning sun.

Nestled mid-slope, this terroir has a remarkable capacity to absorb water, making Chambertin one of Burgundy's finest terroirs.

The wine's deep red colour, captivating bouquet, and refined notes of red fruit reveal an exceptional depth and complexity of flavour.

Tasting notes

A structured and deep wine with aromas of red fruit, crushed stone and subtle blood-orange notes. The palate is precise, with fine tannins and lively acidity. Less opulent, it emphasizes finesse and balance. The finish is long and mineral. A refined, age-worthy grand cru. 2036+

The 2024 vintage will be remembered for its particularly challenging weather conditions. A mild, wet winter gave way to an exceptionally rainy spring, followed by a summer punctuated by persistent rainfall. These conditions profoundly impacted the vines' growth cycle, resulting in difficult and irregular flowering,

as well as disease pressure of a rarely seen intensity, dominated by downy mildew.

In this context, yields are historically low, a direct consequence of coulure, millerandage, and drastic selection both in the vineyard and in the cellar. The harvest, which began on September 21, revealed very heterogeneous clusters, often low in juice content, requiring rigorous and uncompromising sorting.

Despite this technically complex and challenging year, our small 2024 production stands out for its distinguished, straightforward wines of great clarity, carried by a beautiful natural freshness, prioritizing elegance and tension over concentration. The wines are precise and seductive in their expression.

A labor-intensive, demanding vintage, yet one that promises some truly outstanding results.
