
Charmes-Chambertin

2024

518 bottles
38 magnums

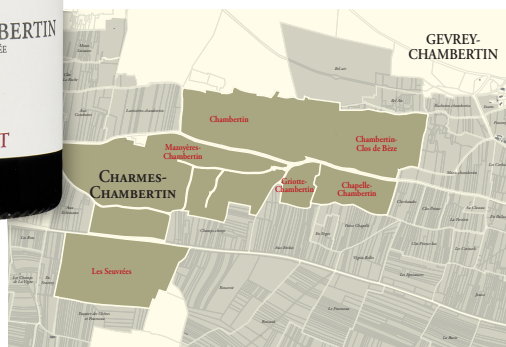

This vineyard sits on soils defined by a limestone gravel substrate, which gives the appellation its unique character. Though shallow, these highly arable soils are a blend of brown and blonde clay-limestone, mixed with gravel.

This combination allows for excellent drainage and vine growth.

The wines from this plot, planted in 1957, are elegant and precise, offering vibrant freshness, impressive density, and a refined complexity that reflects the essence of the terroir.

Tasting notes

An elegant and balanced wine with aromas of plum, violet and spice. The palate is refined, supported by fine tannins and lively energy. Less concentrated but precise, it stands out for its silky texture and length. Approachable in youth, it also shows ageing potential. 2034+

The 2024 vintage will be remembered for its particularly challenging weather conditions. A mild, wet winter gave way to an exceptionally rainy spring, followed by a summer punctuated by persistent rainfall. These conditions profoundly impacted the vines' growth cycle, resulting in difficult and irregular flowering,

as well as disease pressure of a rarely seen intensity, dominated by downy mildew.

In this context, yields are historically low, a direct consequence of coulure, millerandage, and drastic selection both in the vineyard and in the cellar. The harvest, which began on September 21, revealed very heterogeneous clusters, often low in juice content, requiring rigorous and uncompromising sorting.

Despite this technically complex and challenging year, our small 2024 production stands out for its distinguished, straightforward wines of great clarity, carried by a beautiful natural freshness, prioritizing elegance and tension over concentration.

The wines are precise and seductive in their expression.

A labor-intensive, demanding vintage, yet one that promises some truly outstanding results.

Age of the vines	Area	Grape variety	Alcool
1970 / 1989	0,71 ha	100 % pinot noir	13°
