The Ultra cuvées take the concept of terroir a step further, transcending the unique expression of each “climat”.

Nuits-Saint-Georges 1er Cru «La Richemone» cuvée Ultra comes from the southern part of the vineyard. This old vine thrives in a unique and rare soil, featuring an exceptional combination of gravel for optimal drainage and deep rooting, along with clay-limestone soil.

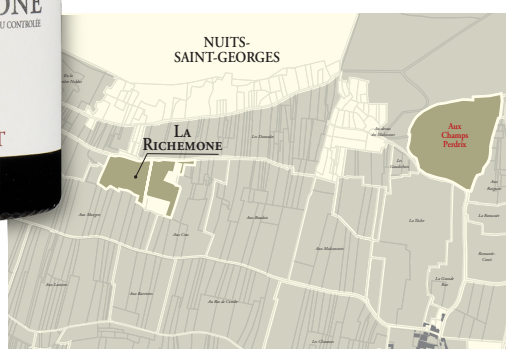

The richness of this terroir, produces a well-balanced wine that exudes enchanting softness and remarkable freshness, unveiling aromas of spices and silky tannins.

The «La Richemone» parcel reveals a wine that is round in character, with depth and outstanding complexity.

### Tasting notes

A deep and structured wine marked by notable density. The nose is reserved, the palate reveals precision and energy. Fine tannins and acidity provide balance and tension. Despite its concentration, it remains fluid. The long, harmonious finish confirms a wine of stature and ageing potential. 2034+

The 2024 vintage will be remembered for its particularly challenging weather conditions. A mild, wet winter gave way to an exceptionally rainy spring, followed by a summer punctuated by persistent rainfall. These conditions profoundly impacted the vines' growth cycle, resulting in difficult and irregular flowering,

as well as disease pressure of a rarely seen intensity, dominated by downy mildew.

In this context, yields are historically low, a direct consequence of coulure, millerandage, and drastic selection both in the vineyard and in the cellar. The harvest, which began on September 21, revealed very heterogeneous clusters, often low in juice content, requiring rigorous and uncompromising sorting.

Despite this technically complex and challenging year, our small 2024 production stands out for its distinguished, straightforward wines of great clarity, carried by a beautiful natural freshness, prioritizing elegance and tension over concentration. The wines are precise and seductive in their expression.

A labor-intensive, demanding vintage, yet one that promises some truly outstanding results.
